Priority Service Register

The Priority Service Register is a free UK wide service. Providing tailored support to those who need it most in the unlikely event of any disruption to your gas, electric or water supply.

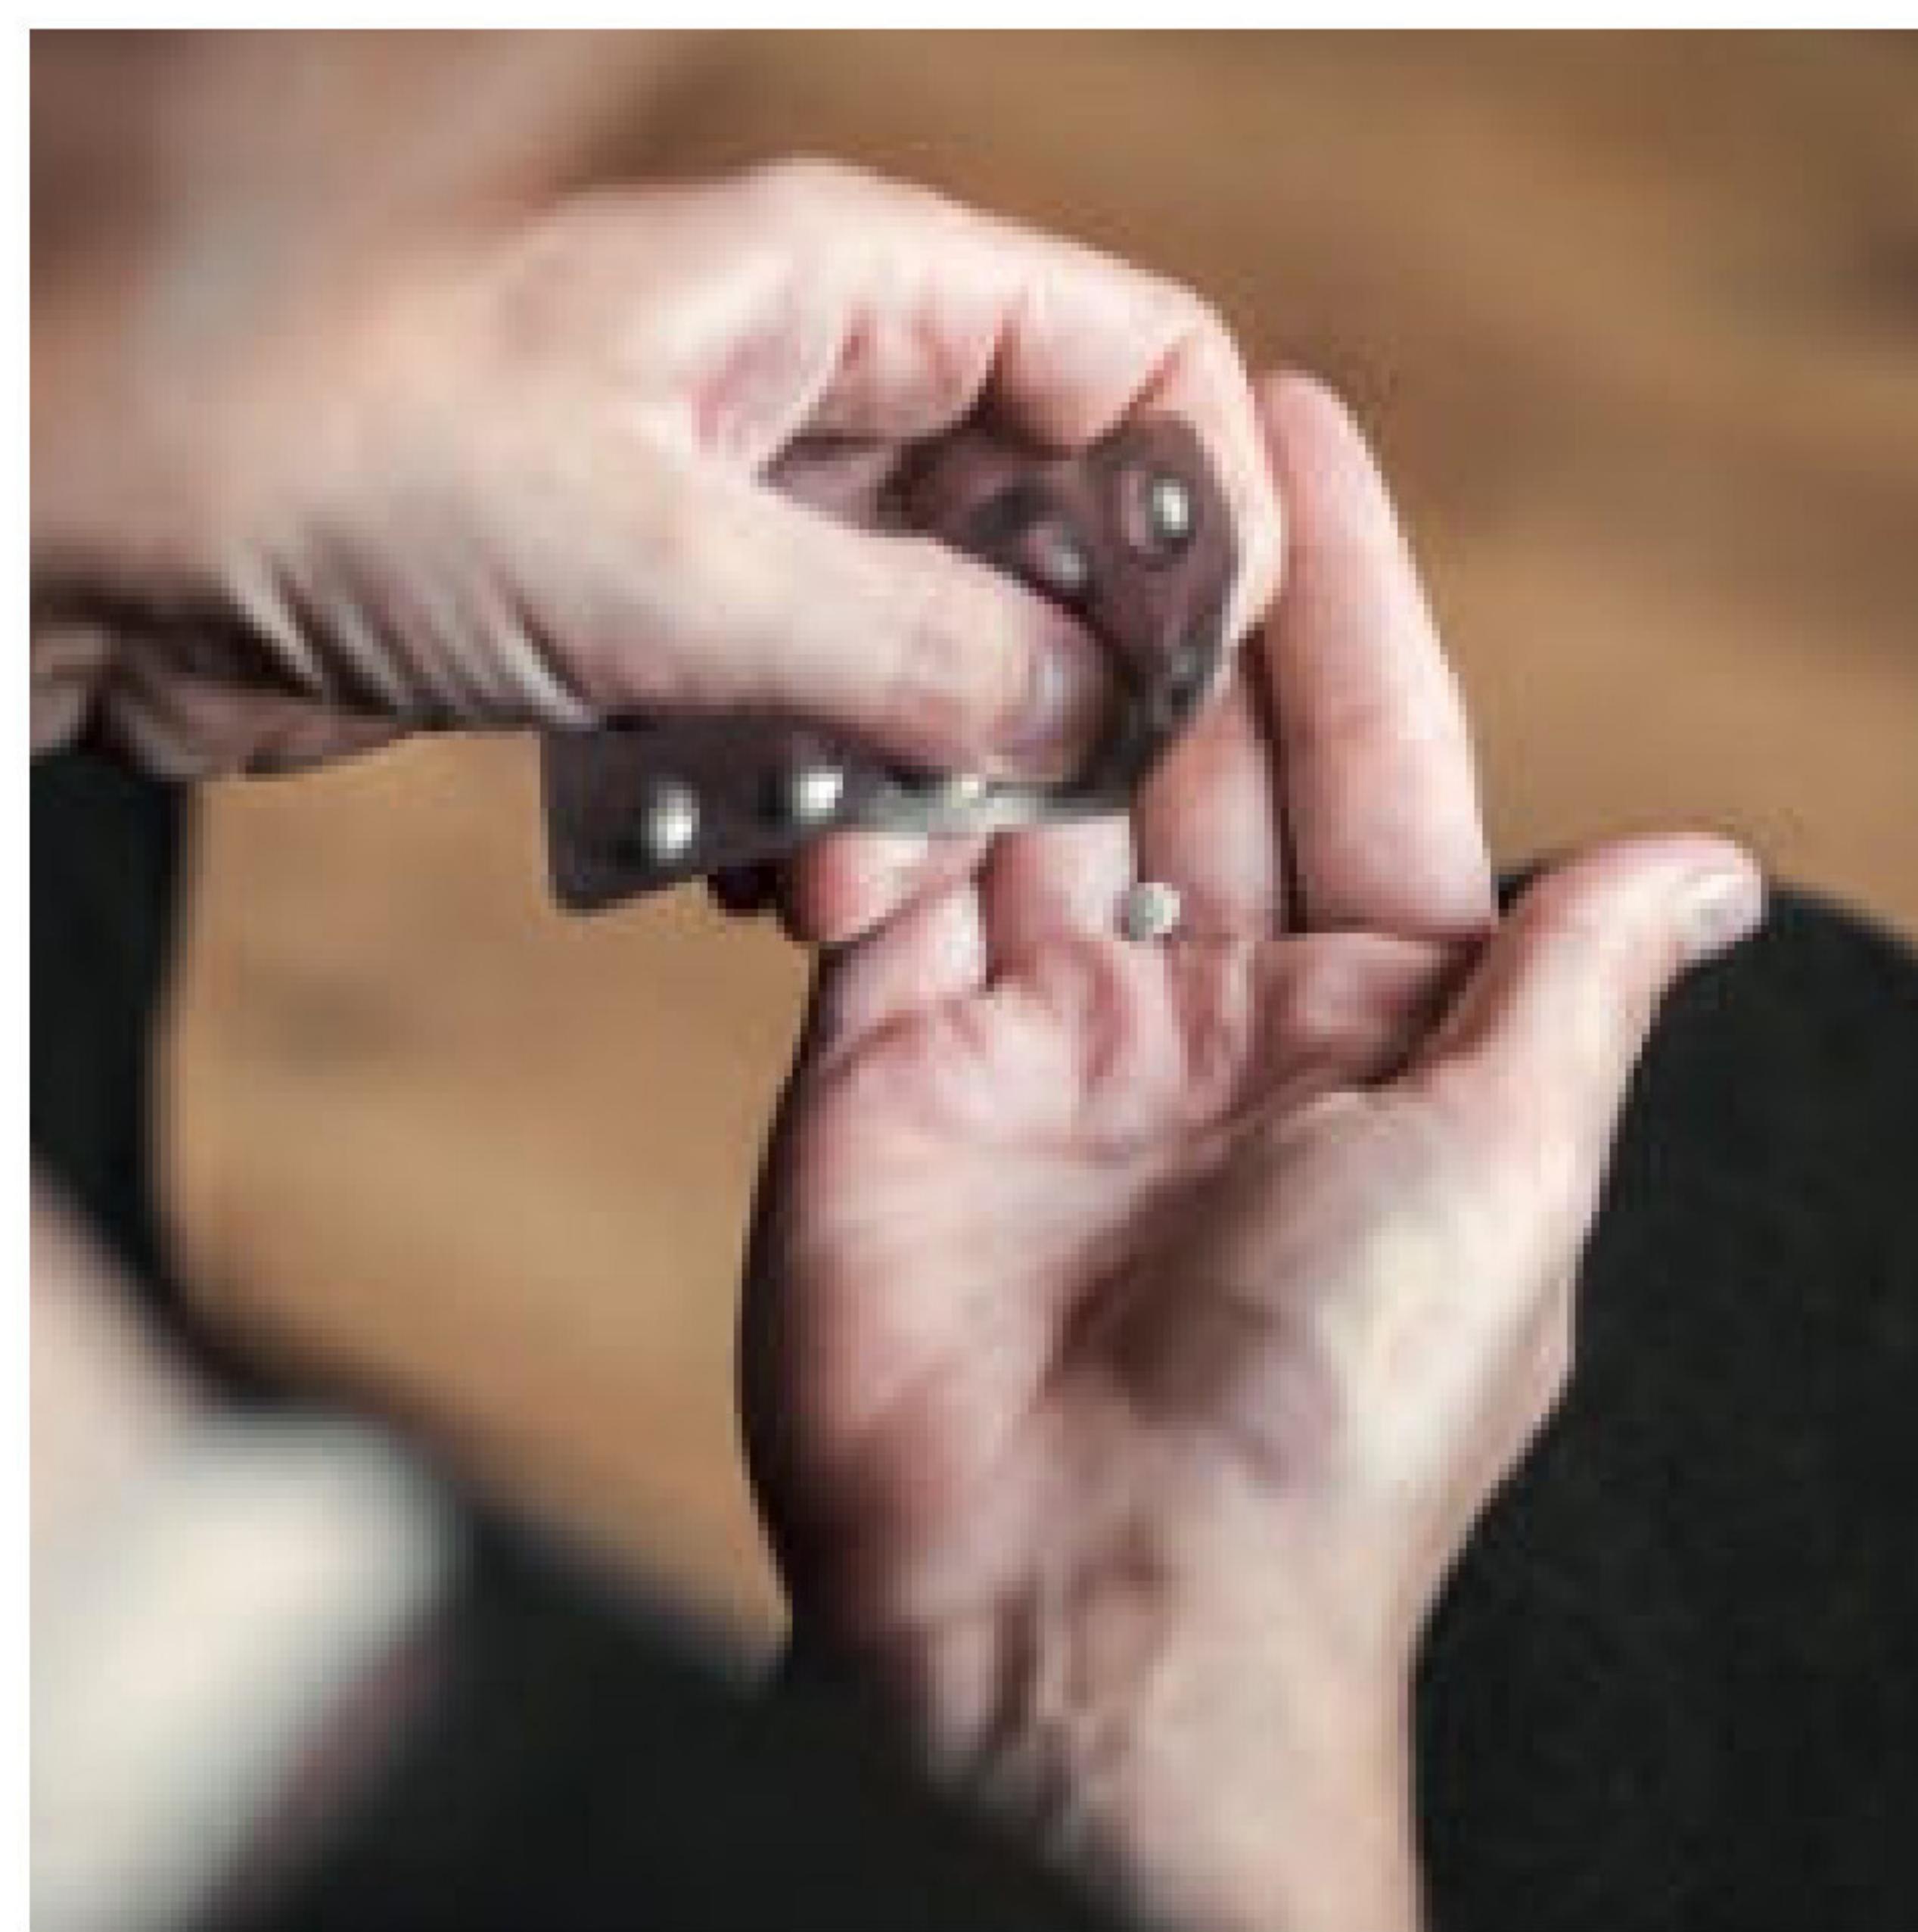

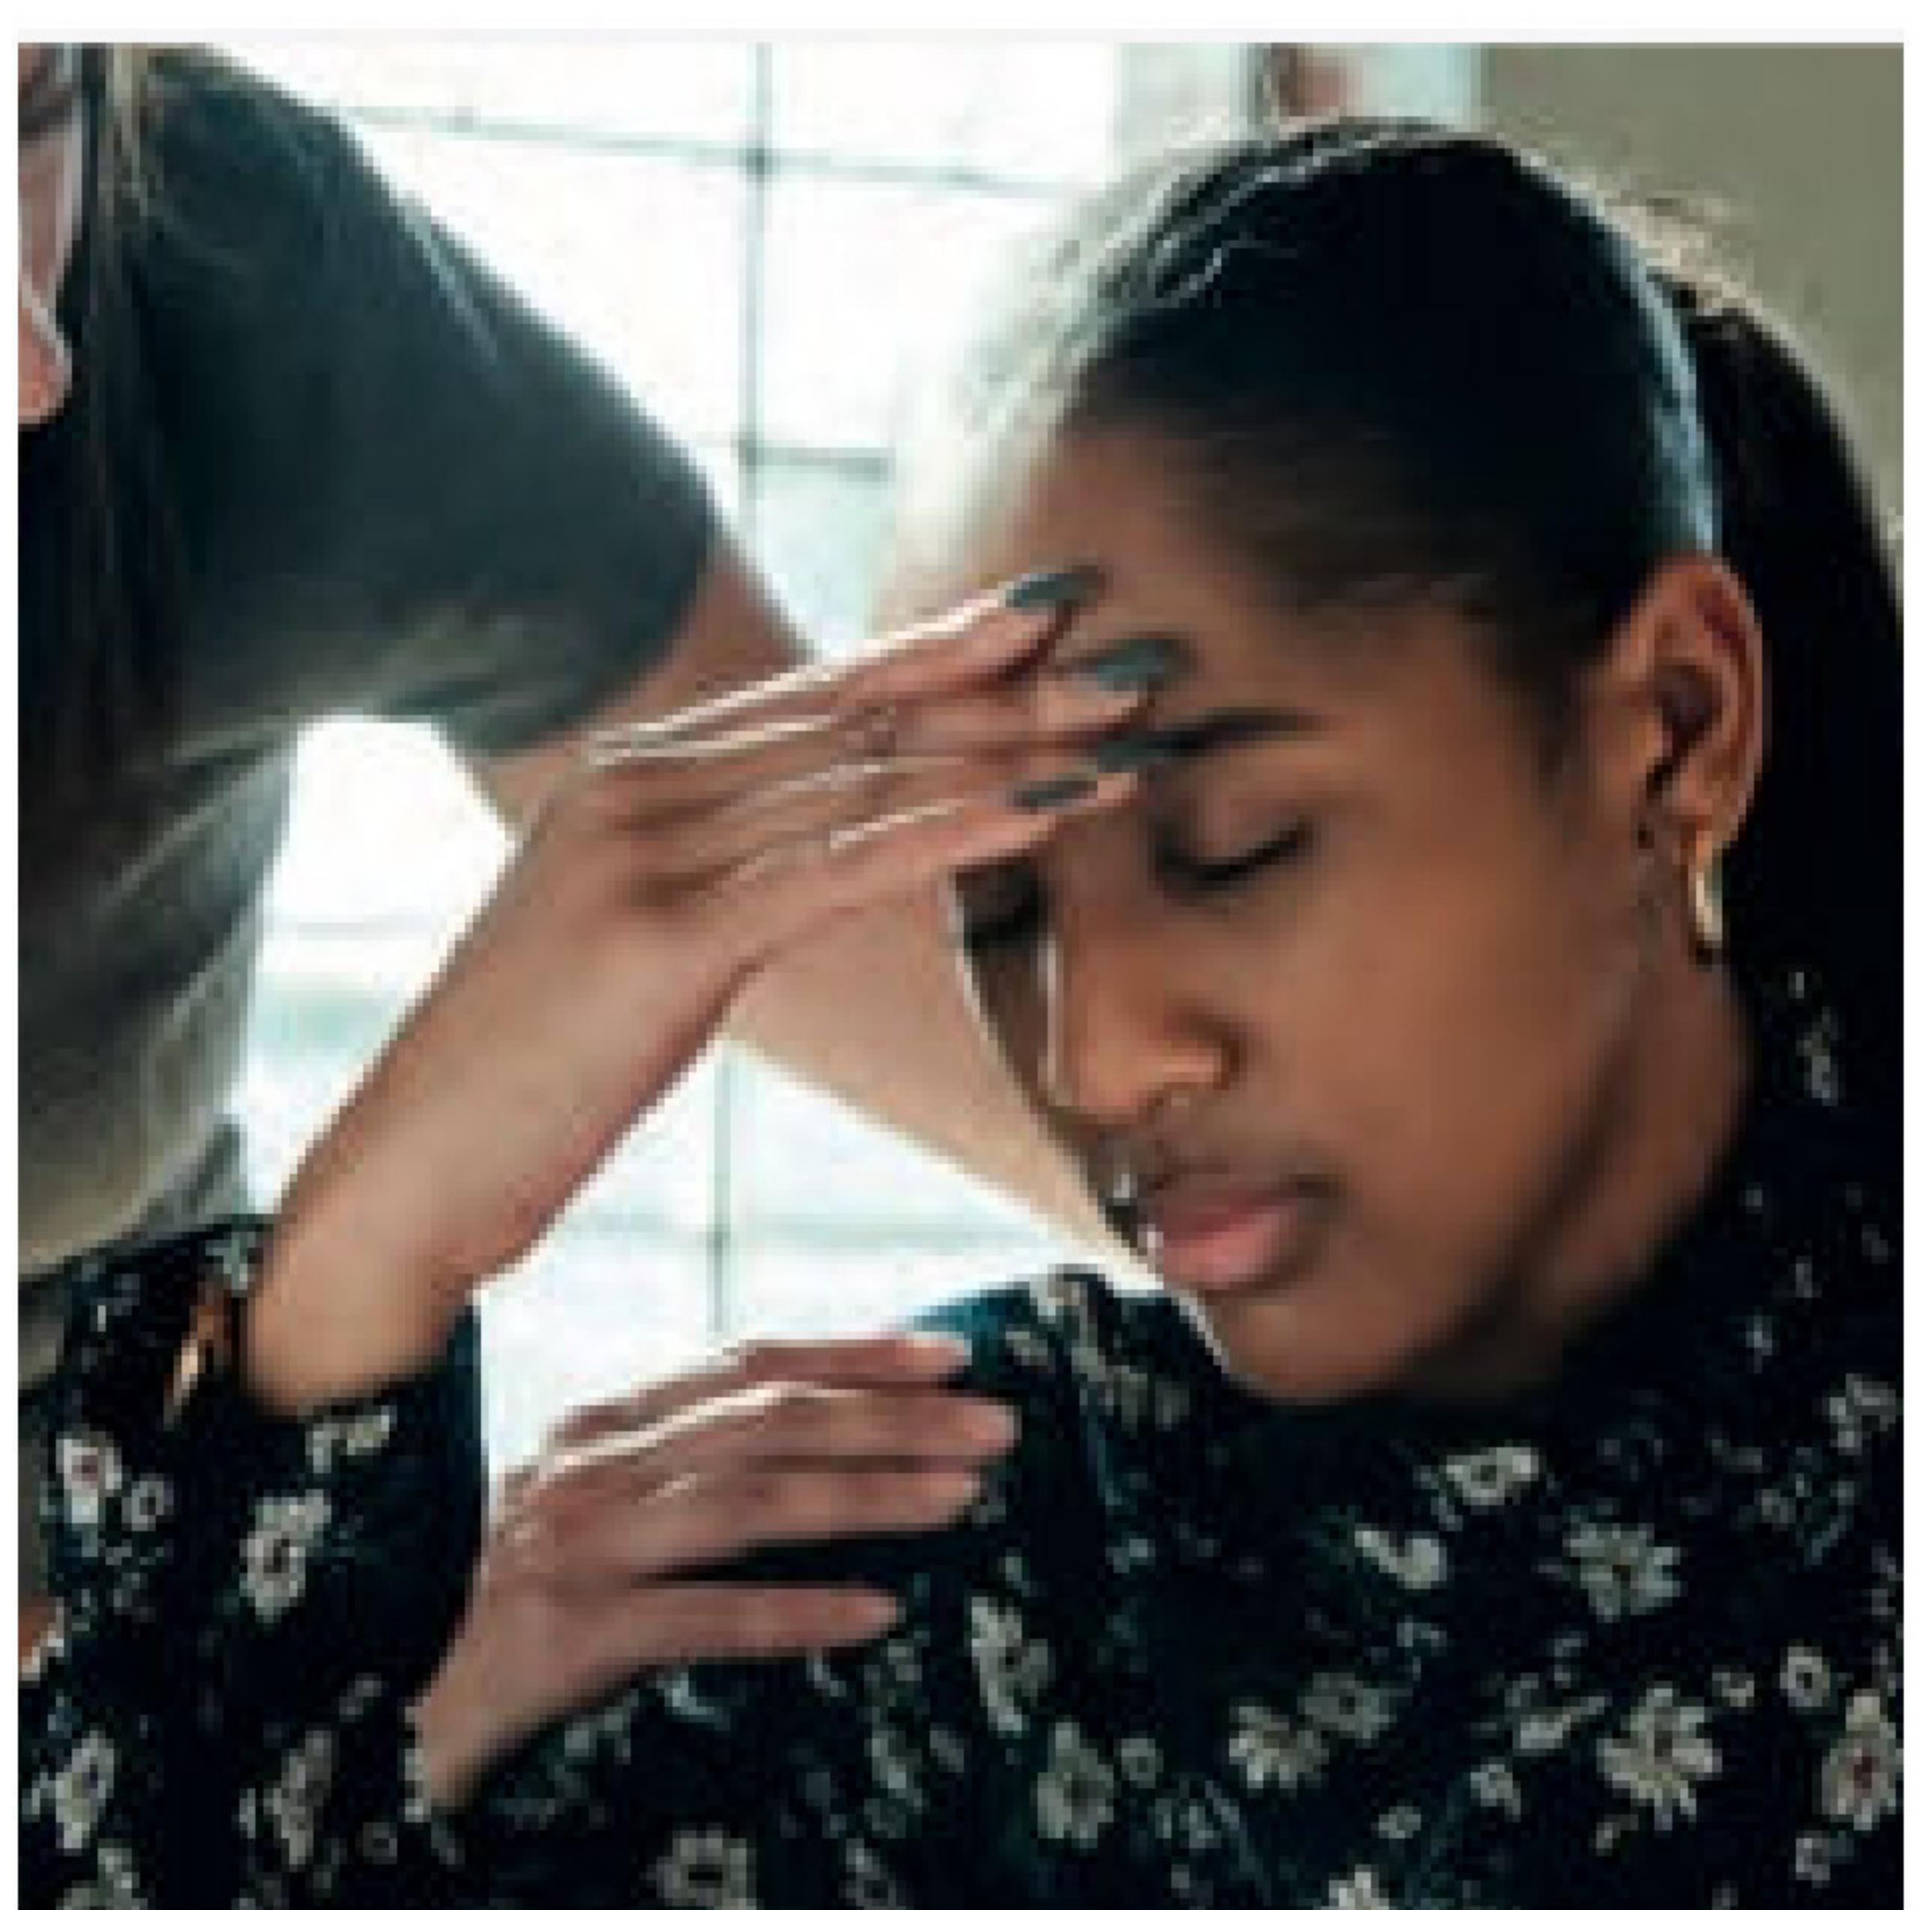

You are eligible for free Priority Service Register services if you

Use Medical equipment reliant on electricity or water

Live with children under five / Pregnant

Are blind or partially sighted/ Deaf or hard of hearing

Temporarily need extra support

Have a chronic illness/ Have a disability

Have anxiety, depression or any mental health condition

Are of pensionable age

Everyone has different needs. Contact your distributor to discuss your requirements if you are unsure.
